UNIT PRICES include delivery to destination and all other costs EXCEPT the State General Excise Tax, currently 4%. Agencies are advised to add the amount of the tax to their purchase order total. General excise tax shall not be applied to delivery charges for purchase orders totalling \$10.00 - \$20.00. (See DELIVERIES section for specific delivery terms).

PURCHASE ORDERS must be received by vendor no later than March 31, 1997. It is the responsibility of each State agency to insure that purchase orders are sent to the vendor on a timely basis. Vendor is not obliged to accept any order received after the price list expiration date.

Purchases from this price list are for supplies needed by agencies during the price list period. Do not issue purchase orders specifying delivery after the price list expiration date. (This excludes those orders received by the vendor towards the end of the price list period for which delivery may extend beyond the price list expiration date.)

In the interest of minimizing both purchase order processing and vendor's delivery costs, agencies are urged to consolidate on each purchase order as many items from as many price lists as possible and to issue those orders as soon as possible. Also, please try to maximize your orders to minimize deliveries.

STATE'S COMMITMENT. Pursuant to Section 3-121-6, Hawaii Administrative Rules, it is mandatory that all agencies of the Executive Branch purchase from price lists issued by the State Procurement Office (SPO). Further, the chief procurement officers for the Judiciary, the Department of Education, Hawaii State Public Library System, and the University of Hawaii agree and commit to the terms of this price list. The University of Hawaii is not committed to purchase printer cartridges for Hewlett Packard printers from this price list.

QUALITY OF PRODUCTS. When quality level or product design is not suited to an agency's purpose, exception may be granted to the agency by the Administrator of the SPO. To obtain an exception, agencies must submit a request, IN WRITING, together with justification for the exception.

DELIVERIES on purchase orders totaling \$20.00 or more (excluding the 4% General Excise Tax) shall be made within five (5) working days in city limits and ten (10) working days in rural areas following receipt of purchase order by vendor. Purchase orders totaling less than \$20.00 shall be made available to the using agency on a "will call" basis within three (3) working days, OR, at the option of the using agency, delivered by the vendor for a flat delivery charge of \$2.50. General Excise Tax shall not be applied to the delivery charge. Minimum order for each purchase order shall be \$10.00

Agencies are advised to inspect merchandise delivered immediately upon receipt and report any discrepancies to the vendor within five (5) working days from date of delivery.

Vendor is obliged to deliver the items on this price list. Agencies are advised that if an order is placed and the vendor is unable to deliver within the time allowed for delivery, the agency should arrange with the vendor for an acceptable substitute. Vendor shall delivery an acceptable substitute at the prices listed after prior approval has been given by the ordering agency.

QUESTIONS relating to this price list may be directed to Ms. Fran Villarmia, at 586-0563.
